

**PSE-*audio* SV-204 DSP-controller**

TI-DSP processor / 96kHz sample rate / 32bit processing / 2 balanced Inputs – 4 balanced outputs / delay per output up to 1000ms / per output: 6 full parametric EQ , limiter, compressor, crossover, input routing/ per input channel: 6 full parametric EQ , expander, compressor / dimension w,h,d: 19 ", 1HE, 263mm / weight 4,5kg

**PSE-*audio* SV-306 DSP-controller**

TI-DSP processor / 96kHz sample rate / 32bit processing / 3 balanced Inputs – 6 balanced outputs / delay per output up to 1000ms / per output: 6 full parametric EQ , limiter, compressor, crossover, input routing/ per input channel: 6 full parametric EQ , expander, compressor / dimension w,h,d: 19 ", 1HE, 263mm / weight 4,5kg

**PSE-*audio* SV-408 DSP-controller**

TI-DSP processor / 96kHz sample rate / 32bit processing / 4 balanced Inputs – 8 balanced outputs / delay per output up to 1000ms / per output: 6 full parametric EQ , limiter, compressor, crossover, input routing/ per input channel: 6 full parametric EQ , expander, compressor / dimension w,h,d: 19 ", 1RU, 263mm / weight 4,5kg
